Commission for Railway Regulation

Opinion on the financial statements

I have audited the financial statements of the Commission for Railway Regulation for the year ended 31 December 2023 as required under the provisions of section 28 of the Railway Safety Act 2005. The financial statements comprise

- the statement of income and expenditure and retained revenue reserves
- the statement of comprehensive income
- the statement of financial position
- the statement of cash flows, and
- the related notes, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the assets, liabilities and financial position of the Commission for Railway Regulation at 31 December 2023 and of its income and expenditure for 2023 in accordance with Financial Reporting Standard (FRS) 102 — *The Financial Reporting Standard applicable in the UK and the Republic of Ireland*.

Basis of opinion

I conducted my audit of the financial statements in accordance with the International Standards on Auditing (ISAs) as promulgated by the International Organisation of Supreme Audit Institutions. My responsibilities under those standards are described in the appendix to this report. I am independent of the Commission for Railway Regulation and have fulfilled my other ethical responsibilities in accordance with the standards.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Report on information other than the financial statements, and on other matters

The Commission for Railway Regulation has presented certain other information together with the financial statements. This comprises the Commissioner's statement, the governance statement and the statement on internal control. My responsibilities to report in relation to such information, and on certain other matters upon which I report by exception, are described in the appendix to this report.

I have nothing to report in that regard.

Paula O'Connor
For and on behalf of the
Comptroller and Auditor General

Appendix to the report

Responsibilities of the Commission

As detailed in the governance statement, the Commission is responsible for

- the preparation of annual financial statements in the form prescribed under section 28 of the Railway Safety Act 2005
- ensuring that the financial statements give a true and fair view in accordance with FRS102
- ensuring the regularity of transactions
- assessing whether the use of the going concern basis of accounting is appropriate, and
- such internal control as it determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of the Comptroller and Auditor General

I am required under section 28 of the Railway Safety Act 2005 to audit the financial statements of the Commission for Railway Regulation and to report thereon to the Houses of the Oireachtas.

My objective in carrying out the audit is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement due to fraud or error. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the ISAs, I exercise professional judgment and maintain professional scepticism throughout the audit. In doing so,

- I identify and assess the risks of material misstatement of the financial statements whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- I obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls.
- I evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures.

- I conclude on the appropriateness of the use of the going concern basis of accounting and, based on the audit evidence obtained, on whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Commission for Railway Regulation's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my report. However, future events or conditions may cause the Commission for Railway Regulation to cease to continue as a going concern.
- I evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I report by exception if, in my opinion,

- I have not received all the information and explanations I required for my audit, or
- the accounting records were not sufficient to permit the financial statements to be readily and properly audited, or
- the financial statements are not in agreement with the accounting records.

Information other than the financial statements

My opinion on the financial statements does not cover the other information presented with those statements, and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, I am required under the ISAs to read the other information presented and, in doing so, consider whether the other information is materially inconsistent with the financial statements or with knowledge obtained during the audit, or if it otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact.

Reporting on other matters

My audit is conducted by reference to the special considerations which attach to State bodies in relation to their management and operation. I report if I identify material matters relating to the manner in which public business has been conducted.

I seek to obtain evidence about the regularity of financial transactions in the course of audit. I report if I identify any material instance where public money has not been applied for the purposes intended or where transactions did not conform to the authorities governing them.

Section 28 of the Railway Safety Act 2005 requires the Commission to prepare financial statements in such form as may be approved by the Minister for Transport with the consent of the Minister for Public Expenditure, NDP Delivery and Reform. - Select suitable accounting policies and then apply them consistently;

Commission for Railway Regulation

Statement on Internal Control

On behalf of the Commission for Railway Regulation I acknowledge my responsibility for ensuring that an effective system of internal control is maintained and operated. This responsibility takes account of the requirements of the Code of Practice for the Governance of State Bodies (2016).

Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a tolerable level rather than to eliminate it. The system can therefore only provide reasonable and not absolute assurance that assets are safeguarded, transactions properly recorded, and that material errors or irregularities are either prevented or detected in a timely way.

The system of internal control, which accords with guidance issued by the Department of Public Expenditure, NDP Delivery and Reform (DPENDPDR) has been in place in the Commission for Railway Regulation for the year ended 31 December 2023 and up to the date of the financial statements except for the internal control issues raised in our internal audit of 2023.

Capacity to Handle Risk

The Commission for Railway Regulation did not have an Audit and Risk Committee (ARC) in place in 2023. The Department of Transport have agreed that the Commission for Railway Regulation be granted a derogation from this obligation, and this applies in 2023.

The Commission for Railway Regulation outsourced its internal audit function in 2023 in agreement with the Department of Transport.

The Commission for Railway Regulation has developed a risk management policy which sets out its risk appetite, the risk management process in place and details the roles and responsibilities of staff in relation to risk. The policy has been issued to all staff who are expected to work within the CRRs risk management policies, to alert management on emerging risks and control weaknesses and assume responsibility for risks and controls within their own area of work.

The Commission for Railway Regulation has implemented a risk management system which identifies and reports key risks and the management actions being taken to address and, to the extent possible, to mitigate those risks. In 2023 an overall review of the risk management and procedures was undertaken.

A risk register is in place which identifies the key risks facing the Commission for Railway Regulation and these have been identified, evaluated, and graded according to their significance. The register is currently reviewed and updated by the management team on a quarterly basis. The outcome of the assessments is used to plan and allocate resources to ensure risks are managed to an acceptable level.

The risk register details the controls and actions needed to mitigate risks and responsibility for operation of controls assigned to specific staff. I confirm that a control environment containing the following elements is in place:

- Procedures for all key business processes have been documented
- Financial responsibilities have been assigned at management level with corresponding accountability
- There is an appropriate budgeting system with an annual budget which is kept under review by senior management
- There are systems aimed at ensuring the security of the information and communication technology systems
- There are systems in place to safeguard the assets.

Commission for Railway Regulation

Ongoing Monitoring and Review

Formal procedures have been established for monitoring control processes and control deficiencies are communicated to those responsible for taking corrective action and to management, in a timely way. I confirm that the following ongoing monitoring systems are in place;

- Key risks and related controls have been identified and processes have been put in place to monitor the operation of those key controls and report any identified deficiencies,
- Reporting arrangements have been established at all levels where responsibility for financial management has been assigned, and
- There are regular reviews by senior management of periodic and annual performance and financial report which indicate performance against budgets/ forecasts.

Procurement

I confirm that the Commission for Railway Regulation has procedures in place to ensure compliance with current procurement rules and guidelines.

Review of Effectiveness

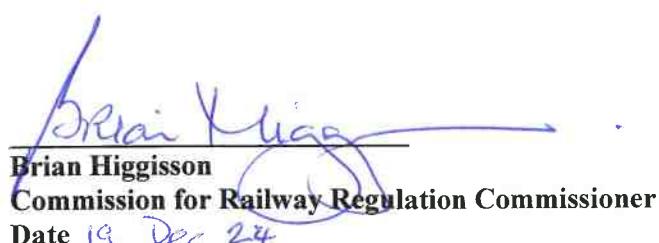

I confirm that the Commission for Railway Regulation has procedures to monitor the effectiveness of its risk management and control procedures. The Commission for Railway Regulation's monitoring and review of the effectiveness of the system of internal financial control is informed by the work of the internal and external auditors and the senior management team with the Commission for Railway Regulation responsible for the development and maintenance of the internal financial control framework.

I confirm that the Commission for Railway Regulation completed an annual review of the effectiveness of the internal controls for 2023 in Q1 2024.

I confirm that the Commission for Railway Regulation has an Oversight Agreement and Performance Delivery Agreement in place with the Minister for Transport.

Internal Control Issues

There were no issues in relation to internal control identified in relation to 2023 that requires disclosure in the financial statements.

Notes to the Financial Statements

for the year ended 31 December 2023

1. Accounting Policies

The basis of the accounting and significant accounting policies adopted by the Commission for Railway Regulation are set out below. They have all been applied consistently throughout the year and for the preceding year.

a) General Information

The Commission for Railway Regulation was set up under the Railway Safety Act 2005 with a head office at Temple House, Blackrock, Co. Dublin.

The Commission for Railway Regulation was established under the Railway Safety Act 2005 and the commencement day was the 1 January 2006. The Commission is a corporate body with perpetual succession and has a seal and power to sue and be sued in its corporate name and to acquire, hold and dispose of land or an interest in land, and to acquire, hold and dispose of any other property. The entity consists of one Commissioner. It is a statutory body funded by a grant from the Department of Transport and a levy on the industry.

The Commission for Railway Regulation's primary objectives as set out in Part 2 of the Railway Safety Act 2005 are as follows:

- to foster and encourage railway safety
- to enforce the Railway Safety Act 2005 and any other legislation
- to investigate and report on railway incidents

The Commission has responsibility for regulating the safety of railway systems carrying fare-paying passengers and commercial freight, and of other railways where they interface with public roads.

The Commission for Railway Regulation is a Public Benefit Entity (PBE).

The significant accounting policies adopted in these financial statements are as follows;

b) Statement of Compliance

The financial statements of Commission for Railway Regulation for the year ended 31 December 2023 have been prepared in accordance with FRS 102, the financial reporting standard applicable in the UK and Ireland issued by the Financial Reporting Council (FRC).

Commission for Railway Regulation

Notes to the Financial Statements

for the year ended 31 December 2023

c) Basis of Preparation

The financial statements are prepared under the accruals method of accounting and under the historical cost convention in the form approved by the Minister for Transport with the concurrence of the Minister for Public Expenditure, NDP Delivery and Reform., in accordance with Section 28 of the Railway Safety Act 2005.

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to Commission for Railway Regulation's financial statements.

d) Revenue

Oireachtas Grants

Revenue is generally recognised on an accrual's basis; one exception to this is in the case of Oireachtas Grants which are recognised on a cash receipts.

Capital Grants

Grant funding used to purchase property, plant and equipment is transferred to a Capital Account and released back to income in line with the depreciation of the related assets. The balance on the Capital Account represents the unamortised value of grant received for capital expenditure purpose.

Levy income

The Commission for Railway Regulation, in exercise of the powers conferred on it by section 26 of the Railway Safety Act 2005 (No.31 of 2005), as amended by the European Communities (Railway Safety) Regulation 2008 (S.I. No. 61 of 2008) and with the consent of the Minister for Transport and the Minister for Public Expenditure, NDP Delivery and Reform., imposes a levy on relevant railway undertakings as specified in the Act. The levy is to be used to fund the activities of the Commission but not the Railway Accident Investigation Unit. The Commission may also, in the absence of a direction from the Minister to pay over any surplus of levy income over expenditure in the Exchequer

- (a) offset surplus levy income over expenditure against levy obligations for the subsequent year or
- (b) make refunds to the relevant railway undertakings.

The amount specified in the levy order for any given year less any offsets or refunds is brought to account as income for that year.

Commission for Railway Regulation

Notes to the Financial Statements

for the year ended 31 December 2023

Property, Plant and Equipment

Property, plant and equipment are stated at cost less accumulated depreciation, adjusted for any provision for impairment. Depreciation is provided on all property, plant and equipment, other than freehold land and artwork, at rates estimated to write off the cost less the estimated residual value of each asset on a straight-line basis over their estimated useful lives, as follows:

(i) Leasehold Additions	10% per annum
(ii) Office Equipment	20% per annum
(iii) Computer Equipment	20% per annum
(iv) Fixtures and Fittings	20% per annum

Residual value represents the estimated amount which would currently be obtained from disposal of an asset, after deducting estimated costs of disposal, if the asset were already of an age and in the condition expected at the end of its useful life.

Depreciation is fully charged in the year of acquisition and depreciation is not charged in the year of disposal.

If there is objective evidence of impairment of the value of an asset, an impairment loss is recognised in the Statement of Income and Expenditure and Retained Revenue Reserves in the year.

Foreign Currencies

Transactions denominated in foreign currencies are converted into euro during the year at the rate on the day of the transaction and are included in the Income and Expenditure Account for the period. Monetary assets and liabilities denominated in foreign currencies are converted into euro at exchange rates ruling at the balance sheet date and resulting gains and losses are included in the Income and Expenditure Account for the period.

Receivables

Receivables are recognised at fair value, less a provision for doubtful debts. The provision for doubtful debts is a specific provision and is established when there is objective evidence that the Commission for Railway Regulation will not be able to collect all amounts owed to it. All movements in the provision for doubtful debts are recognised in the Statement of Income and Expenditure and Retained Revenue Reserves.

Commission for Railway Regulation

Notes to the Financial Statements

for the year ended 31 December 2023

Operating Leases

Rental expenditure under operating leases is recognised in the Statement of Income and Expenditure and Retained Revenue Reserves over the life of the lease. Expenditure is recognised on a straight-line basis over the lease period, except where there are rental increases linked to the expected rate of inflation, in which case these increases are recognised when incurred. Any lease incentives received are recognised over the life of the lease.

Employee Benefits

Short-term Benefits

Short term benefits such as holiday pay are recognised as an expense in the year, and benefits that are accrued at year-end are included in the Payables figure in the Statement of Financial Position.

Retirement Benefits

The Commission for Railway Regulation operates an unfunded defined benefit pension scheme which is funded annually on a pay as you go basis from monies available to it, including monies provided by the Department of Transport. The scheme is operated on an administrative basis pending approval by the Department and the Department of Public Expenditure and Reform.

Retirement benefits costs reflect pension benefits earned by employees in the period and are shown net of staff pension contributions which are refunded to the Department. Retirement benefit liabilities are measured on an actuarial basis using the projected unit credit method. An amount corresponding to the pension charge is recognised as income to the extent that it is recoverable and offset by grants received in the year to discharge pension payments. Actuarial gains or losses arising on scheme liabilities are reflected in the Statement of Comprehensive Income and a corresponding adjustment is recognised in the amounts recoverable from the Department.

Retirement benefit liabilities represent the present value of future pension payments earned by staff to date. Deferred retirement benefit funding represents the corresponding asset to be recovered in future from the Department.

The Commission for Railway Regulation operates the Single Public Services Pension Scheme (“Single Scheme”), which is a defined benefit scheme for pensionable public servants appointed on or after 1 January 2013. Single Scheme members’ contributions are paid over to the Department of Public Expenditure and Reform (DPENDPDR).

Critical Accounting Judgements and Estimates

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. The following judgements have had the most significant effect on amounts recognised in the financial statements.

Commission for Railway Regulation

Notes to the Financial Statements

for the year ended 31 December 2023

Depreciation and Residual Values

The Commissioner has reviewed the asset lives and associated residual values of all fixed asset classes, and in particular, the useful economic life and residual values of fixtures and fittings and have concluded that asset lives, and residual values are appropriate.

Retirement Benefit Obligation

The Commission for Railway Regulation operates unfunded defined benefit superannuation schemes for staff. Superannuation entitlements arising under the schemes are paid out of current income and are charged to the Income and Expenditure Account, net of employee superannuation contributions, in the year in which they become payable.

The results set out below are based on an actuarial valuation of the pension liabilities in respect of serving and retired staff of the Commission as at 31 December 2023. This valuation was carried out by a qualified independent actuary for the purposes of the accounting standard FRS 102. All new employees who commenced employment since 1st January 2013 are members of the Single Pension Scheme and are included in the above Actuarial Valuation.

- an ráiteas ar shreafáil airgid agus
- na nótaí a ghabhann leo, lena n-áirítear achoimre ar pholasaithe cuntasaíochta suntasacha.

I mo thuairimse, tugann na ráitis airgeadais radharc cruinn agus cothrom ar shócmhainní, dliteanais agus staid airgeadais an Choimisiúin um Rialáil larnróid mar a bhí ar 31 Nollaig 2023 agus ar a hioncam agus caiteachas do 2023 i gcomhréir le Caighdeán Tuairiscithe Airgeadais (FRS) 102 — *An Caighdeán Tuairiscithe Airgeadais infeidhme in RA agus Poblacht na hÉireann*.

Bunús leis an tuairim

Rinne mé m'iniúchadh ar na ráitis airgeadais i gcomhréir leis na Caighdeán Idirnáisiúnta ar Iniúchadh (ISAnna) mar atá curtha chun cinn ag an Eagraiocht Idirnáisiúnta Uasthoras Iníúchóireachta. Tugtar cur síos ar mo fhereagrachtaí faoi na caighdeán sin san agusín leis an tuairisc seo. Táim neamhspleách ar an gCoimisiún um Rialáil larnróid agus tá mo fhereagrachtaí eiticiúla eile comhlíonta agam de réir na gcaighdeán.

Creidim go bhfuil an fhianaise iniúchta atá faigte agam imleor agus iomchuí chun bonn a sholáthar do mo thuairim.

Tuairisc ar fhaisnéis eile seachas na ráitis airgeadais, agus ar nithe eile

Tá faisnéis áirithe eile curtha i láthair ag an gCoimisiún um Rialáil larnróid chomh maith leis na ráitis airgeadais. Áirítear anseo ráiteas an Chomisinéara, an ráiteas rialachais agus an ráiteas maidir le rialú inmheánach. San agusín leis an tuairisc seo tugtar cur síos ar mo fhereagrachtaí i dtaca leis an bhfaisnéis sin, agus i dtaca le nithe áirithe eile a dtugaim cur síos orthu ar bhonn eisceachta.

Níl aon rud le tuairisciú agam ina leith sin.

Freagachtaí an Choimisiúin

Mar a thugtar cur síos air sa ráiteas rialachais, tá an Coimisiún freagach as

- ráitis airgeadais bhílantúla a ullmhú san fhoirm a ordaitear faoi Alt 28 den Acht um Shábháilteacht larnróid 2005
- a chinntí go dtugtar leis na ráitis airgeadais léargas cír agus cothrom i gcomhréir le FRS102
- rialtacht na n-idirbheart a chinntí
- measúnú cé acu an bhuil sé cuí bonn gnóthais leantaigh na cuntasaiochta a úsáid, agus
- cibé rialú inmheánach a chinneann sé atá riachtanach chun ráitis airgeadais a ullmhú atá saor ó mhíráiteas ábhartha, cibé acu calaois nó neamhrialtacht is cùis leis sin.

Freagachtaí an Ard-Reacthaire Cuntas agus Ciste

Éiltear orm faoi Alt 28 den Acht um Shábháilteacht larnróid 2005 iniúchadh a dhéanamh ar ráitis airgeadais an Coimisiúin um Rialáil larnróid agus tuairisc a thabhairt do Thithe an Oireachtais ina leith.

Is é an aidhm atá agam agus an t-iniúchadh á dhéanamh agam dearbhú réasúnta a fháil faoi cé an bhuil na ráitis airgeadais mar iomlán saor ó mhíráiteas ábhartha mar thoradh ar chalaois nó neamhrialtacht. Leibhéal ard dearbhaite is ea dearbhú réasúnta, ach ní barántas é go n-aimseoidh iniúchadh a dhéantar i gcomhréir leis na ISAnna míráiteas ábhartha i gcónai más ann dó. Féadfaidh míráitis a bheith ann mar thoradh ar chalaois nó earráid agus meastar go bhuil siad ábhartha más rud é, iontu féin nó go carnach, go bhféadfaí a mheas go mbeadh tionchar acu ar chinntí eachnamaiochta úsáideoirí a rinneadh ar bhonn na ráiteas airgeadais seo.

Mar chuid d'iniúchadh i gcomhréir leis na ISAnna, cuirimse breithiúnas gairmiúil i bhfeidhm agus coinníomh sceipteachas gairmiúil le linn an iniúchta. Agus é sin á dhéanamh agam,

- Aithním agus déanaimse measúnú ar rioscaí míráitis ábhartha faoi na ráitis airgeadais cibé acu calaois nó neamhrialtacht is cùis leis; déanaimse nósanna imeachta iniúchta a dhearadh agus a chur i gcrích a fhreagraíonn do na rioscaí sin; agus faighimse fianaise iniúchta atá imleor agus iomchúí chun bunús a sholáthar do mo thuairim. Tá riosca níos mó ann nach mbraitheoirí míráiteas ábhartha ag eascairt as calaois ná ceann ag eascairt as earráid, toisc go bhféadfaidh claoopháirtíocht, brionnú, easnaimh intéannacha, mífhaisnéisí nó sárú ar rialú inmheánach a bheith ann le calaois.
- Faighimse tuiscint ar rialú inmheánach atá ábhartha don iniúchadh d'fhorainn nósanna imeachta iniúchta a dhearadh atá iomchúí do na cúinsí, ach ní chun críche tuairim a noctuadhl maidir le héifeachtacht na rialuithe inmheánacha.
- Déanaimse meastóireacht ar oiriúnacht na bpolasaithe cuntasaiochta a úsáidtear agus ar réasúntacht na meastachán cuntasaiochta agus na noctuithe gaolmhara.
- Déanaimse amach cé acu an bhuil sé oiriúnach bonn gnóthais leantaigh na cuntasaiochta a úsáid agus, bunaithe ar an bhfianaise iniúchta a fhaightear, cé acu an bhuil éiginnteacht ábhartha ann i dtaca le heachtraí nó

coinníollacha a d'fhéadfadh amhras suntasach a chur ar chumas an Choimisiúin um Rialáil larnróid leanúint ar aghaidh mar ghnóthas leantach. Má mheasaim go bhfuil éiginnteacht ábhartha ann, tá orm aird a tharraingt i mo thuairisc ar na noctuithe gaolmhara sna ráitis airgeadais nó, más rud é nach leor na noctuithe sin, mo thuairim a leasú. Tá mo thuairim bunaithe ar an bhfianaise iniúchta a fuarthas suas chomh fada le dáta mo thuairisce. D'fhéadfadh ócáidí nó coinníollacha sa todhcháí cur ar an gCoimisiúin um Rialáil larnróid stopadh mar ghnóthas leantach, áfach.

- Déanaimse meastóireacht ar chur i láthair, struchtúr agus ábhar na ráiteas airgeadais ar an iomlán, lena n-áirítear na noctuithe, agus cé acu an léiríonn na ráitis airgeadais na bun-idirbhearta agus na bun-eachtraí ar bhealach a bhaineann cur i láthair amach atá cír.

Cuirimse in iúl dóibh siúd atá freagach as rialachas, i measc nithe eile, an scóip agus an t-amú atá beartaithe don iniúchadh agus tortháil suntasacha an iniúchta, lena n-áirítear easnaimh shuntasacha ar bith sa rialú inmheánach a aithním le linn m'iniúchta.

Tuairiscim ar bhonn eisceachta freisin más rud é, i mo thuairimse,

- nach bhfuair mé an fhaisnéis agus na míniithe ar fad a theastaigh uaim do m'iniúchadh, nó
- nár leor na taifid chuntasaiochta chun na ráitis airgeadais a iniúchadh go réidh agus mar ba cheart, nó
- nach bhuil na ráitis airgeadais ag teacht leis na taifid chuntasaiochta.

Faisnéis seachas na ráitis airgeadais

Ní chlúdaíonn mo thuairim faoi na ráitis airgeadais an fhaisnéis eile a chuirtear i láthair leis na ráitis sin, agus ní léirím aon chineál de thuairim dearbhaite ina leith sin.

I dtaca le m'iniúchadh ar na ráitis airgeadais, tá orm faoi na ISAnna an fhaisnéis eile a chuirtear i láthair a léamh agus, é sin á dhéanamh agam, a mheas cé acu an bhuil an fhaisnéis eile neamhriéreach go hábhartha leis na ráitis airgeadais nó le heolas a fuarthas le linn an iniúchta, nó más cosúil ar bhealach eile go bhuil sé míráite go hábhartha. Más rud é, bunaithe ar an obair atá déanta agam, go ndéanaimse amach go bhuil míráiteas ábhartha ar an fhaisnéis eile seo, tá orm an fhíric seo a thuirisciú.

Tuairisciú ar ábhair eile

Déantar m'iniúchadh le tagairt do na tosca speisialta a bhaineann le comhlactaí Stáit i dtaca lena mbainistiú agus oibriú. Tuairiscim má tá aon nithe ábhartha a bhaineann leis an gcaoi ina bhuil gnó poiblí déanta.

Féachaim le fianaise a fháil maidir le rialtacht na n-idirbheart airgeadais le linn iniúchta. Tuairiscim má tá aon chás ábhartha ann nár feidhmíodh airgead poiblí chun na gcríoch a bhí beartaithe nó sa chás nár lean na hidirbhearta do na húdaráis a rialaíonn iad.

Ráiteas an Choimisinéara

Le hAlt 4 den Acht um Iompar Poiblí 2016 (Uimh. 3 de 2016) bhí foráil ann le hainm an Choimisiúin um Shábháilteacht Iarnróid a athrú go dtí an Coimisiún um Rialáil Iarnróid. I bhfeidhmiú na gcumhachtaí a tugadh dó faoi Alt 4 den Acht, d'ordair an tAire Iompair go n-athrófaí an t-ainm le feidhm ón 29 Feabhra 2016.

Bhunaigh an tAire Iompair an Coimisiún um Rialáil Iarnróid an 1 Eanáir 2006 faoin Acht um Shábháilteacht Iarnróid 2005 (Alt 7).

In Alt 14(1) deirtear go mbeidh sa Choimisiún ar a laghad ball amháin ach gan níos mó ná triúr ball. Sa bhliain 2023, bhí ball amháin sa Choimisiún, Brian Higginson.

Tá tuairisc ar leith tugtha ag an gCoimisiún maidir le nochtadh leasanna de réir riachtanais an Achta um Eitic san Oifig Phoiblí 1995 agus tá sé comhlíontach le hAlt 20 den Acht um Shábháilteacht Iarnróid 2005. Dearbhaím freisin go bhfuil an Cód Cleachtais um Rialachas Comhlachtaí Stáit 2009 agus an cód Leasaithe (2016) á chomhlíonadh ag an gCoimisiún.

Tá an Coimisiún um Rialáil Iarnróid cuntasach don Aire Iompair agus tá sé freagrach as rialachas maith a chinntíú agus cuireann sé an tasc sin i bhfeidhm trí chuspóirí agus spriocanna straitéiseacha a shocrú agus cinntí straitéiseacha a dhéanamh mar le gach príomhábhar gnó. Tá an Coimisinéir agus an fhoireann ardbhainistíochta freagrach as an gCoimisiún um Rialáil Iarnróid a bhainistiú, a rialú agus a stiúradh go rialta ó lá go lá. Ní mór don Choimisinéir agus an fhoireann ardbhainistíochta an treo straitéiseach leathan atá leagtha síos ag an gCoimisiún agus ní mór dóibh a chinntíú go bhfuil tuiscint shoiléir ag an ardbhainistíocht go léir faoi na príomhgníomhaíochtaí agus cinntí a bhaineann leis an eintiteas, agus ar aon riosca suntasach is dócha a thiocfaidh chun cinn.

Comhlacht rialaitheach is ea an Coimisiún mar a shainítear i dtuarascáil na bliana 2007 ó Roinn an Taoisigh “Comhlachtaí in Éirinn a bhfuil Cumhachtaí Rialaitheacha acu”.

Níl struchtúr boird ag an gCoimisiún ach tá sé bunaithe i bhfoirm Coimisiún ar féidir suas le triúr Coimisinéirí a bheith aige. Ó bunaíodh é ní raibh riaghachas aon Choimisinéir amháin ar bun ag am ar bith.

An Coimisiún um Rialáil Iarnróid

Ráiteas maidir le Rialú Inmheánach

Thar ceann an Choimisiún um Rialáil Iarnróid admhaím mo fhreagracht as a chinntíú go ndéantar córas éifeachtach um rialú inmheánach a choimeád agus a oibriú. Cuireann an fhreagracht seo riachtanais an Chóid Chleachtais um Rialachas Comhlachtaí Stáit (2016) san áireamh.

Cuspóir an Chórais um Rialú Inmheánach

Tá an córas um rialú inmheánach deartha le riosca a bhainistiú do leibhéal inghlactha seachas é a scrios. Is cinnteacht réasúnta amháin, seachas cinnteacht ionlán, a chuireann an córas ar fáil, go bhfuil sócmhainní á gcaomhnú, bearta airgeadais á dtaifeadadh i gceart, agus go seachnaítear earráidí nó mírialtacht ábharach nó go dtabharfaí faoi deara go tráthúil iad.

Tá an córas um rialú inmheánach, atá ag teacht leis an treoir a d'eisigh an Roinn Caiteachais Phoiblí, Sheachadadh PFN agus Athchóirithe ar bun sa Choimisiún um Rialáil Iarnróid don bhliain dar críoch 31 Nollaig 2023 agus suas le dáta na ráiteas airgeadais seachas na saincheisteanna i dtaca le rialú inmheánach a ardaíodh inár n-iniúchadh inmheánach de 2023.

Acmhainneacht le Riosca a Láimhseáil

Ní raibh Coiste Iniúchta agus Riosca (ARC) ar bun ag an gCoimisiún um Rialáil Iarnróid in 2023. Tá aontaithe ag an Roinn Iompair go ndeonaí maolú ar an oibleagáid seo ar an gCoimisiún um Rialáil Iarnróid agus tá feidhm leis seo in 2023.

Rinne an Coimisiún um Rialáil Iarnróid a fheidhm iniúchta inmheánaigh a sheachfhoinsiú in 2023 i geomhaontú leis an Roinn Iompair, Turasóireachta agus Spóirt.

The beartas bainistíochta riosca forbartha ag an gCoimisiún um Rialáil Iarnróid lena leagtar amach a inghlacthacht riosca, an próiseas bainistíochta riosca atá ar bun agus cur síos ar róil agus freagrachtaí na foirne i dtaca le riosca. Tá an beartas eisithe do na baill ar fad a bhfuiltear ag stíl leis go mbeidh siad ag obair le beartais bainistíochta riosca CRR, chun an bhainistíocht a chur ar an eolas faoi rioscaí atá ag teacht chun cinn agus chun laigí a rialú agus chun freagracht a ghlacadh as rioscaí agus rialuithe laistigh dá réimse oibre féin.

Tá córas bainistíochta riosca curtha i bhfeidhm ag an gCoimisiún um Rialáil Iarnróid a shainaithníonn agus a thuairiscíonn príomhrioscaí agus na bearta bainistíochta atá á dhéanamh chun aghaidh a thabhairt ar na rioscaí sin agus, oiread agus is féidir, na rioscaí sin a mhaolú. In 2023 rinneadh athbhreithniú foriomlán ar an mbainistíocht agus nósanna imeachta i dtaca le rioscaí.

Tá clár rioscaí ar bun lena shainítéar na príomhrioscaí atá roimh an gCoimisiún um Rialáil Iarnróid agus rinneadh iad seo a shainaithint, a mheas agus a ghrádú de réir a suntais. Faoi láthair déanann an fhoireann bainistíochta an clár a athbhreithniú agus an nuashonrú ar bhonn ráithe. Baintear úsáid as toradh na measúnuithe chun acmhainní a phleanáil agus a dháileadh lena chinntíú go ndéantar rioscaí a bhainistiú go leibhéal inghlactha.

Sa chlár rioscaí tugtar cur síos ar na rialuithe agus na gníomhartha atá de dhíth chun maolú a dhéanamh ar rioscaí agus freagracht as rialuithe a shanntar le baill foirne ar leith a oibriú. Dearbhaím go bhfuil timpeallacht rialaithe ar bun ina bhfuil na gnéithe seo a leanas:

Tá nósanna imeachta foirmiúla bunaithe le monatóireacht a dhéanamh ar phróisis rialaithe agus cuirtear easnaimh rialaithe in iúl dóibh siúd atá freagrach as gníomh ceartaithe a dhéanamh agus don bhainistíocht, ar bhealach tráthúil. Dearbhaím go bhfuil na córais monatóireachta leanúnacha seo a leanas ar bun;

- Tá príomhrioscaí agus rialuithe a bhaineann leo sainitheanta agus tá próisis curtha ar bun le monatóireacht a dhéanamh a oibriú na bpriomhrialuithe seo agus aon easnaimh shainitheanta a thuairisciú,

Soláthar

Dearbhaím go bhfuil nósanna imeachta ar bun ag an gCoimisiún um Rialáil Iarnróid lena chinntíú go geloítear le rialacha agus treoirlínte reatha i dtaca le soláthar.

Athbhreithniú ar Éifeachtúlacht

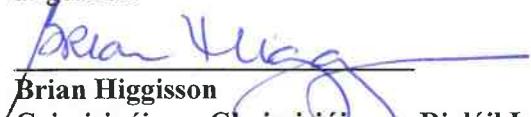

Dearbhaím go bhfuil nósanna imeachta ar bun ag an gCoimisiún um Rialáil Iarnróid chun monatóireacht a dhéanamh ar éifeachtúlacht a nósanna do bhainistíocht agus rialú rioscaí. Dearbhaím go bhfuil Comhaontú Maoirseachta agus Comhaontú Seachadta Feidhmíochta ar bun ag an gCoimisiún um Rialáil Iarnróid leis an Aire Iompair.
